

UNITED PHOENIX FIREFIGHTERS CHARITIES

United Phoenix Firefighter Charities Firestrong Program

Money donated to the Firestrong program is used to assist firefighters who have struggled with PTSD and other mental health issues caused by stress.

Through education, assessments, trainings, website tools, Peer Support, and Treatment programs, Firestrong is dedicated to strengthening its members so that our firefighters stay mentally fit and healthy and get back to working on the Fire Truck.

We are a Non-Profit 501c3 organization
